To be raised and appropriated	\$246,541.61

7. To see if the Town will vote to authorize the Board of Selectmen to sell property acquired by Deed of the Tax Collector.
8. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600.00) to be used toward the operation of the Information Booth in the Town of Lisbon to be sponsored by the Chamber of Commerce.
9. To see if the Town will vote to authorize the Selectmen to apply for and receive Federal Disaster Assistance Funds through the State Disaster Coordinating Office and to expend the funds so received to repair the damage to Town Roads and/or bridges caused by any declared emergency and to authorize the Selectmen to borrow such sums as may be necessary to defray the cost of repairing damage in anticipation of Federal Disaster Funds to be received through the State Disaster Coordinating Office.
10. To see if the Town will vote to raise and appropriate a sum not to exceed twenty thousand dollars (\$20,000.00) for the purpose of purchasing a new Loader for the Highway Department.
11. To see if the Town will vote to raise and appropriate a sum not to exceed twelve thousand five hundred dollars (\$12,500.00) for the purpose of buying a new truck for the Highway Department.
12. To see if the Town will vote to raise and appropriate a sum not to exceed three thousand three hundred dollars (\$3,300.00) for the purpose of purchasing a new Cruiser for the Police Department.
13. To see if the Town will vote to raise and appropriate a sum not to exceed ten thousand dollars (\$10,000.00) for the purpose of repairing, remodelling and replacement of the heating system in the Town Hall.
14. To see if the Town will vote to raise and appropriate a sum not to exceed six thousand dollars (\$6,000.00) for the purpose of painting the Town Hall.
15. To see if the Town will vote to raise and appropriate a sum not to exceed fifteen thousand dollars (\$15,000.00) for the purpose of building a new bridge across the brook at Conrad's Mill, so-called.
16. To see if the Town will authorize the Selectmen to borrow on the credit of the Town a sum of money not to exceed sixty six thousand eight hundred dollars (\$66,800.00) for the purpose of covering the appropriations in Articles 10 through 15, and authorize the issuance of serial notes or bonds on the credit of the Town under and in accordance with the provisions of the

Municipal Finance Act, R.S.S. 33:8, or any other enabling authority.

17. To see if the Town will vote to accept Valley View Drive, so-called, as a part of the Town Road System.
18. To see if the Town will vote to discontinue that section of road off State Highway 117 opposite the Fimlaid Property so-called.
19. To see if the Town will vote to discontinue that section of the road off State Highway 117 opposite or adjacent to the Stuart Carbonneau property, so-called.
20. To see if the Town will vote to adopt the Resolution approving application of the provisions of Chapter 204-a of New Hampshire Revised Statutes annotated and the provision of Section 8 of the U.S. Housing Act of 1937, as amended allowing the New Hampshire Housing Commission to operate in the Town of Lisbon to provide better housing for low-income and the elderly.
21. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 (two thousand dollars) for the purchase of 500 feet of 4-inch large diameter hose and two adapters.
22. To see if the Town will vote to raise and appropriate the sum of five thousand six hundred dollars (\$5,600.00) to be used as salary for the Recreational Director of the Lisbon Youth Center from July 1, 1976 to March 1977. (By Petition)
23. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 9th day of February 1976.

Fred W. Snell
Earl W. White
William F. Swett

SELECTMEN'S REPORT

We hereby submit an annual report to the citizens of the Town of Lisbon:

During the year 1975 your Selectmen have continued to be concerned with the many problems facing the community. A major portion of our time has been spent on the planning for the Sewage Disposal Facility, upkeep and maintenance of our highway system and the maintenance of our equipment and buildings.

The appropriations for the year 1976 have been for the support of Town Business. One of the factors is the repayment of the Notes issued to purchase land and property for the Sewage Disposal Facility. In order to level off the payments the Board agreed to pay these over a period of three years: \$30,000 the first, \$20,000 next year and \$12,000 the third year. As these payments go down the payments for the Sewage System will come into play. Insofar as possible we are trying to make the repayments have a levelling effect on the tax rate instead of wide fluctuations. One other effect is the fact that our share of Revenue Sharing has been cut in half.

SOLID WASTE DISPOSAL

The Selectmen have applied for, and been granted, an extension to permit burning in our present dump facility until July 1, 1977. We have included in the Dump appropriation request an additional \$1,000 to allow us to do soil testing in the event we need to go to a Landfill operation. We are also discussing with the surrounding towns, the possibility of an incineration method of disposing of our garbage etc.

SEWAGE DISPOSAL PROJECT

Your Board has made considerable progress this past year relative to the construction of the Sewage Disposal Facility.

Many meetings have been held with our Town Counsel, Green Engineering and the State Water Pollution and Control Board. We have been instrumental in having additional sections of the system made eligible, thus cutting down the Town's share by sizeable amounts.

The Town advertised for bids on the 19th day of January and these will be opened on February 23, 1976. It is our hope that by Town Meeting time we will have the name of the successful bidder and that we can announce that work will begin on or about April 1, 1976.

FUTURE NEEDS

In our report of last year we mentioned several areas that needed attention. Many of these are included in this year's warrant.

For too many years now we have let maintenance of buildings slide and have reached the time when something needs to be done. We are requesting a sum of money to paint the Town Hall... It is fitting that this be done during the Bicentennial Year. Also we are asking that the heating system at the Town Hall be replaced and the building zoned so sections not in use can be held at lower temperatures. With the Friends-in-Council's project to renovate and update the facilities, with this new heating system the building will have greater utility at a much more economical cost. The savings we are now showing by purchasing oil in bulk lots will be, we hope, greater next year with a new heating system.

Your Selectmen have looked very carefully at the budget proposed for 1976 and feel that everything requested is needed. The items requested in special articles we propose to fund over a period of five years in order that the impact on the tax rate will be lessened.

Respectfully submitted,

Fred W. Snell
Earl W. White
William F. Swett

REPORT OF THE LISBON YOUTH CENTER DIRECTOR

Lisbon Youth Center was opened in September at the Methodist Church with Gary Bean as director. This new program has been well received by Lisbon teenagers. It is felt that the activities have been worth-while and have reached over 90 members. This project has been self-supporting through the effort of the youngsters involved and the leadership provided by the Director and the Advisory Board. Lisbon Youth Center has received many favorable comments on its activities to date and Mr. Alioto, Principal of the school has expressed his opinion that, "the center has really helped fill the gap with worthwhile activities when school ends."

The Center is open three nights a week, Thursday, Friday and Saturday. Inside the center there are a number of different things such as ping-pong tables, pinball machines, pool tables, a jukebox, coke and candy machines. Special activities sponsored by the Youth Center are a number of dances held either at the Gym or Town Hall, various types of tournaments, bowling parties, sliding parties, movies, food sales, soccer and volleyball clinics and intramural activities such as Ice Hockey.

The center would like to thank the Methodist Church for use of the church, the Senior Citizens for sharing expenses at the church, and the Townspeople for their support. Most of all, the young people, for their support and special thanks to my Advisory Board for all their help and support.

Respectfully submitted,

Gary A. Bean
Youth Center Director

LISBON FIRE DEPARTMENT REPORT FOR 1975

We've had a very busy year as indicated in the following report.

Renovations to the fire station authorized by you at the 1975 Town Meeting are nearly finished. Except for a problem with the floor, all we have left to do is install lights and a new ceiling for which the Fire Department has appropriated \$600 of its own funds in addition to the \$5,000 which has already been given for the project. Under the direction of Stanley Snell, several members of the department have put in many hours getting the work done.

The replacement for the old #2 fire unit as authorized last year was also completed, and with the cooperation of Jesseman's Garage we now have a fine pumper.

We spent \$2,500 for a new "SWAT Wagon" for housing our fire coats and emergency equipment. With permission from the Selectmen, we sold the old panel truck and with the proceeds and another \$300 of our own purchased another two-way radio for Pumper #2. This makes all except one tanker now radio-equipped. We hope to be able to add that one soon.

We are hoping to install radio receivers in ten members' homes. In last year's budget, the Plectron Encoder for this system was purchased and with the home receivers the men will be tone-alerted directly by the dispatcher when there is an emergency.

All vehicles will be equipped with the Mutual Aid radio frequency. This will make the Mutual Aid System much more effective and will eventually allow for a central dispatcher. Mutual Aid continues to be a very important part of our fire protection. During 1975 we responded five times to calls for mutual aid from surrounding communities, and we were in turn reinforced by other departments in response to our calls five times.

At our annual meeting the firemen voted to go to a two-meetings-per-month program to enable us to update our training. Two men have been placed in charge of the training. Our bylaws have also been revised.

Our Thirteenth Annual Horse Show was again a tremendous success in spite of the rain. It is the first time we had a wet day and it was quite a different challenge to keep sand and gravel in supply so that trucks and vans could move instead of having to keep our tankers busy all day wetting the dust down! The Horse Show has been the source of the funds with which we have been able to do so much. We thank you for your support in this great undertaking and solicit your help again for our Bicentennial Show on July 11.

Calls answered by Fire Department:

- 12 - Chimney
- 9 - Grass, brush, or forest fire
- 4 - House
- 4 - Motor vehicle accident or fire
- 2 - False alarm
- 1 - 13 men, two days flood duty
- 2 - Rescue van
- 1 - Dump
- 8 - Miscellaneous

Other calls on red network:

- 41 - No answer
- 41 - Wrong number
 - 1 - 2 hours with small children on line--telephone company assisted

Respectfully submitted,

Harry T. Andross
Fire Chief

Total Phone Calls (Police Station)	1,142

It gives me great pleasure in reporting that for the second year in a row, the Town of Lisbon had a fatality-free year on our highways. Also we did not have any motor vehicle accidents where there was serious bodily injury. This is a record that the members of the Police Department are proud of.

This year we were able to put on another police officer to work forty hours per week. This is being funded by the Government CETA Program. This gives the citizens of Lisbon 24-hour coverage for five days per week. It also allows us to have a police officer for school traffic in the mornings. Our new Police Officer is Robert Liveston who was discharged from the Air Force after serving four years in the military police branch.

Officer Boutin attended the New Hampshire Police Standards and Training School in Portsmouth, New Hampshire this year for six weeks and graduated with high marks. Some of the courses Officer Boutin attended were: Accident Investigation, Motor Vehicle Code, How to Handle Domestic Complaints, Implied Consent Law, and Criminalistics.

I would like to take this opportunity to thank the citizens of Lisbon for their continued help and understanding over the past year.

Respectfully submitted,

Richard Grayson
Chief of Police

Town of Lisbon, N.H. Town Report From the North Country Council

January 5, 1976

Assistance and information on solid waste planning, tax mapping, regional clearinghouse approval of the proposed sewage treatment project, and review of proposed highway projects are the services the North Country Council provided to the town in 1975. NCC staff attended three (3) evening meetings with local officials.

On the regional level, the North Country Council prepared a public transportation plan and is working toward the implementation of its recommendations. The Council became the economic development district for northern New Hampshire on July, 1975, and is currently carrying out this function. Several region-wide meetings on Water Supply and Pollution Control Commission regulations, economic development, seminars for planning board members, and recycling of newsprint were sponsored. A recently completed report entitled "The Regulation of Mobile Homes in the Community", prepared by the Council, provides technical information to planning board members and local officials in the area of mobile homes.

In 1975, the Council increased its base of local support from 19 to 29 towns. The Council coordinates its activities with other agencies in order to avoid any possible duplication of effort.

Planning News, the Council's bi-monthly newsletter, disseminates useful information on land use, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council Office in Franconia, N.H. (Tel. 823-8108).

In performing its duties, the Council attends approximately 200 night meetings a year.

For the future, continued activity in community planning assistance will be emphasized along with major regional efforts in economic development, land use, and housing. Dissemination of planning information will be continued. The Council is working closely with the N.H. Public Utilities Commission in the improvement and upgrading of the North Country's rail lines, especially the Lincoln line and the North Stratford to Beecher Falls line.

The Council sincerely appreciates and thanks the town for its support and participation. This support has enabled the Council to provide a good deal of local and regional services.

Respectfully submitted,

William Swett
George Marshall

NCC Representatives

North Country Home Health Agency, Inc.
60 HIGH STREET LITTLETON, N. H. 03561

1975 Report

Total of Services rendered to area towns:

5088 Skilled Nursing Visits to homes for purposes of: care of the chronically ill; short term care following hospitalization; short term acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; prevention, intervention and control of diseases.

4214 hours of Homemaker/Home Health Aide services: keeping patient as independent as possible; maintenance of patient in his own environment as long as he is able to be there; accomplished through assistance with personal care; ancillary nursing procedures; assistance with meal preparation and light house-keeping.

4 Physical Therapy visits by a registered Physical Therapist.

15 immunization clinics for pre-school children.

3 Adult Health Screening clinics for adults over 30 years of age. Follow-ups are done by our nurses.

5 Dental Screening clinics for pre-school children. Follow-ups and referrals done by this office.

6 Well-child clinics providing physical exams for pre-school children of low income families. Follow-ups and referrals made by this office.

3 Orthopedic clinics held at Littleton Hospital for all area residents.

1 Expectant Parents course.

1 Diabetic teaching course.

Aims for 1976: 4 Orthopedic clinics to be held at Littleton Hospital; increase in Expectant Parents courses; continuation of present clinic schedules with expansion of Well-child clinics.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of Home Care Services.

The Board of Directors of this non-profit agency is composed of volunteer members representing the towns served. New Board Members are elected at the Annual Meeting in January. All monies received are returned in direct services to the residents of the 17 towns.

Services rendered to residents of Lisbon

636 Skilled Nursing Care Visits

757 3/4 hours of Homemaker/Home Health Aide Service

62 Health Promotion and Assessment Visits

Lisbon residents may attend any of the clinics listed at any location.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.
